Synopsis

"Withered! O my Father, watch over me, and keep me, and let nothing ever for a moment hinder the freshness that comes from a full abiding in the Vine." The True Vine is 31-day devotional book based on the parable of the Vine (John 15:1-16). Murray meditates on the parallel which a vibrant Christian life bears in resemblance to a vine and its branches. It is only in abiding in this manner will the Christian thrive and be able to grow in his spiritual life. This electronic edition features an active table of contents. About the Author South African pastor and author Andrew Murray (1828-1917) was an amazingly prolific writer. Murray began writing on the Christian life for his congregation as an extension of his local pastoral work, but he became internationally known for his books, such as *With Christ in the School of Prayer* and *Abide in Christ*, that searched men's hearts and brought them into a deeper relationship with Christ. With intense purpose and zeal for the message of the gospel, Murray wrote numerous books even after his "retirement" at age seventy-eight. --This text refers to an alternate kindle_edition edition.
