## **Synopsis**

"What doesn't have a mouth but can talk? What has limbs but can't move? What has a lot of rings but no fingers?" So begins this fun and informative story that leads to a little-known fact about trees. Starting with the oldest living trees on earth to the more down-to-earth ways trees affect our daily lives, *Look Who's Talking*, explains in short simple terms, some fascinating tree facts that will change the way you look at the next tree you see.
