Synopsis

The book that has pierced through the mysteries of the long-forgotten Vikings' traditional magic and rituals. Are you looking for a way to read into people's fate? Are you interested in the forgotten knowledge of Vikings' seers and how they used charms, spells, and rituals? Would you like to learn a system to make your life more comfortable thanks to ancient Nordic culture and its mythology? If the answer is yes, keep reading... A religion, a creed, a way of living: the mystery behind Norse magic has come to these days untouched. Practiced by many adepts, it's still seen by outsiders as an intricate exotericism. In this book, you'll walk through a journey of rituals, magical practices, and powerful artifacts to allow mankind to read into and alter their destiny. Coming from the cold north, I studied the ancient history of my ancestors for more than 20 years. Today, all my notes and research have found a new life in this guide where you'll find all the knowledge surrounding Norse magic, Nordic culture and mythology, and a beginner-friendly explanation of the famous Futhark rune system. As you will be reading this book I want you to imagine a land covered by snow, where a cold wind blows through the forest, a world where the bonds between men were sacred, and magic had a critical role in connecting those people with their Gods. And the spirit of the North will come to you. In this book you will learn: What is Norse magic and how can it impact your life? The ancient wisdom behind the runes, their history, their preparation, their meaning, the different stones, how to cleanse them and recharge them. How to read your runes, use your intuition and learn to receive the answers. Embrace the full power of Sedir, the powerful magic used by practitioners and seers. Discover the Vikings' ceremonies, rituals, chants, and blots to praise the Gods. Understand the deity system of ancient Norse people and how it can help your life too. And this is just a small portion of what you are going to discover inside this enthralling book! Even if you're new to this kind of knowledge I am sure the answers you're looking for will come to you, as you open your mind and unfold the Norse magic mysteries. What people say about this book

Amanda Lynn, "Learning about Norse Runes. I love to learn about ancient civilizations. This book was right up my alley. The Norse mythology was fascinating, but I love all things mythology. It also teaches you about the Futhark Runes. You can learn about the Norse history. This is a great book that gives you an overall coverage of the Norse civilization."

A D, "Learn to read the runes. I have heard the word runes in my fantasy and science fiction but I had no idea this was real. I purchase this book to gain some information about how it works. I'm around different people and I like to be real around it when it comes to rituals and different spiritual knowledge. This book definitely helped me understand more about the art of futhark runes reading and divination."

sebastian Gonzalez, "Learn the art of Norse magic. If you are passionate about history, ancient mythology, languages and even some mysterious and magical cultures you will definitely like this book as I did. I am not into spiritual Norse mythology but I found this book interesting based on the fact It explains how heaven, earth and darkness are seen from Scandinavian eyes. Everything you would like to know about this mythological overview is found in this book"
