Lorena Chiappara, "Delightful!. A lovely glimpse into what life was like for some of the migrants that came out to Australia looking for a better life. Wistful. Engaging. And with a chance of love at the end. A delight to read."

undefined, "Poignant and Insightful. The author has captured the feeling of loss and longing that entails leaving ones country and culture behind, in order to start a new life elsewhere. Despite personal sacrifice, there's always hope for future happiness. A lovely story."
