What people say about this book

Marcella Richie, "Bold, Bright and Easy ingredients. Straight to the point! I love it!. I really love this book! I really happy how it gets straight to the point with the ingredients and directions, I'm not a fan of overly word books. I also liked the inspiration on each page it really helps you connect with the author on a different level. I also enjoyed that the ingredients where things I already had on hand so I was able to start trying the recipes right away! I loved that!! The pictures in the book were very impressive! The colors and angles really brought the food to life! As far as shipping the book came in great shape and fairly quickly.. Overall I was very pleased with my purchase and can't wait to try more recipes!"

Cari, "Easy, tasty food that everyone will love!!!!. He definitely Got Flavor!!!! From the wellness shot to start your day ,I love itt!!! A quick but full of flavor lunch : Hot Colt Cut Trio, an easy but delicious dinner : Sautéed Butterflied Shrimp and to make a tasty diet violation with Mel's strawberry banana pudding you just can ask yourself : why he did not share all these amazing and tasteful recipes before!!! we are still working to do some , but definitely we are planning to make all of them and add it to our meals. Thanks a lot for this amazing gift to people I'm planning to buy some as my Christmas present for people that likes to cook amazing and tasty food , following easy and affordable recipes ”

Fara0929, "Totally WOW WOW. Amazing choices of recipes.. I didn't know what to expect. When I saw the price of the kindle version I grabbed it. From the Mongolian beef to the friend chicken sandwich to the shrimp fried Rice. Oh I don't wanna forget Mels Famous chocolate chip cookies. We are going to enjoy the quarantine here in Florida with these recipes. "He for sure has Flava!! It's a must for any foodie!!"

Mya Bee, "Flavor licking good. Flavor jumps off the pages- simple, tasty recipes anyone can follow. No "hard to find" ingredients like I've seen in other cookbooks and it has easy directions. The pictures of the food looked so good that it was hard to decide which one to make first!!"

RWRNHZ40, "Fantastic!. I very rarely set foot into a kitchen. But these recipes certainly make me excited to actually try my hand at this cooking thing. The steps are very simple and straightforward, and the range of recipes provide something for everyone. I really enjoyed reading the inspiration for each recipe and the pictures of the finished product....so difficult to decide which dish to try first (though that Cajun chicken pasta just may win out)! Can't wait to make my first dish!"

MzRobin, "Great for Graduating Teens!! The book is absolutely amazing! My teenage daughter is getting more into cooking and being self sufficient now that she's about to graduate high school and this cookbook is such a great start for her. Every week I look forward to her trails and

tribulations in the kitchen but having this book with EASY SIMPLE to follow meals really help. Thank you Miguel for helping with everyday skills to help my daughter feel more confident in her next stage in life. A MUST BUY!!!!”

Sonya Harris, “Deliciousness Delivered!. I love the stories behind the recipes and also how quick and easy these delicious meals are to prepare. One of the reasons people choose fast food or prepackaged meals is to save time. But the recipes Miguel shares, in this cookbook are things anyone can prepare for family dinner, quickly & easily.”
