Sharing here most of my personal favorites, as well as some recipes I got from my family and friends. In most of recipes, preparation, cooking, and cooling times are included. They're estimates only, so no need to follow them to a T. Those time estimates just work for me when I cook for my family. A dish that takes me half an hour to make may take you just 15 minutes or an hour. Just as some ovens heat faster and some people slice ingredients more quickly than others. Don't be disheartened if it takes you longer to prepare a dish or the outcome doesn't look like the one in the photo. What matters more is owning and enjoying the cooking experience.
