## Synopsis

Have you ever wondered what is really inside Rgveda? Do you know that apart from the names of the Devas, Rgveda mentions hundreds of kings and sages by name? Do you know that it mentions more than 30 rivers? You may be familiar with many events in Ramayana and Mahabharata, but do you know about any interesting events mentioned in Rgveda? Most of the impressions about Rgveda are shaped by secondary information, and they seldom delve deep into the Rgvedic verses. This book is a geographical journey into Rgveda with the Rgvedic rivers as our primary guides. The book will take you through the rivers like Ganga, Yamuna, Sarasvati, Sarayu and others. You will get familiarized with many Rgvedic events like the Dasarajna Battle, Varshagira Battle and so on and get a clear picture of the chronology of events mentioned in Rgveda and its connections with Ramayana and Mahabharata.

The very first initial pages of the book opened the windows to the Vedas (Especially for a person like me, who doesn't know the Sanskrit language,this book was so apt and understandable).
