## What people say about this book

Ebook Tops\_Reader, "A beautiful cookbook. Author June Kessler almost always writes and publishes beautiful cookbooks that are well formatted with delightful recipes. Her Christmas cookie cookbook: The Ultimate Christmas Cookies (In The Kitchen Cooking) is an exceptional cookbook and probably one of the best cookbooks she's written. You will find mouth-watering gorgeous photos depicting the recipes. The color photos are a delight to view and really show how you can create cookies that look just like the ones found in her photos. Another plus is the formatting. Kessler has included an interactive table of contents and a link at the end of each recipe that takes you back to the interactive table of contents. Her recipes include both metric and US measurements and Celsius and Fahrenheit temperatures making this cookbook a pleasure to use for almost all cookie bakers. Some of the recipes you will find include: Shortcake Bites Chocolate Pretzels Holly Cookies Pecan Pie Bars Marshmallow Mud Squares Easy Linzer Bars Fruitcake Cookies Raspberry Walnut Shortbread Highly recommend."
