Synopsis

SWISSNESS presents 43 design accomplishments of Swiss origin, including the Swiss Army Knife, the Landi chair, Le Corbusier's chaise longue, the Davos sled and Freitag bags. In addition there are portraits of seven individuals who have had a significant impact on the highly unique history of Swiss design – people who have paved the way for the success of “Swiss made” products all over the world.

What people say about this book

De Marchi Claudio, "Complete description of Swiss ideas and inventions. This handbook lets you know how ideas are developed into real objects for our everyday life, in this magic and neat country of Switzerland."

Ebook Tops Kunde, "good deal. Good brand new book for interesting price"
