Synopsis

From the best-selling author of "Free Kindle Books and How to Find Them," this book has been designed to show you how to transfer electronic books, or eBooks, to your Kindle. If the only way you have added content to your Kindle is via the Ebook Tops website, you may not know how to put content (think books) on your Kindle. This book shows four ways to put material on your Kindle plus a few other tips. Michael Gallagher is the author of several bestselling Kindle "how-to" guides, and his title "Free Kindle Books and How to Find Them" has been the #1 Kindle reference guide for over two years, garnering #53 and #72 on the Top 100 Kindle bestseller lists for all Kindle book titles in 2010 and 2011, respectively. His "Free Kindle Books and Tips" blog has been the #1 bestselling subscription blog in the Ebook Tops Kindle Store since 2010. You can visit the blog at www.fkbt.com

About the Author Beginning as a trouble shooter, Rebecca Evans has worked in web site development for over 15 years. Her focus is on the individual and small business users who lack substantial in-house IT support. As an instructor, Evans learned early on that an "IT information gap" prevents many potential web site owners from exploring web based businesses and social sites. In her first book, she offers a simple overview that gives laymen sufficient background to to create their own web sites. Rebecca Evans is the founder and president of Stonefield Site Services, a web site development provider.
