What people say about this book

Lesley, "A Fun and Informative Read. This book is highly readable, and an accessible guide to treating others with respect. A true gentleman thinks of others before himself, and the author fills the pages with practical ways to do that. Comprised of short chapters, each one approximately the same length, the book is easy to navigate. How to ask for a date, how to treat a lady on a date, and how to follow up are just a few topics covered. He also explores how to maintain an apartment, how to say, "no," and how to conduct oneself to stay healthy and productive. An enjoyable and informative read."
